

ONE HP. ONE QUOTE. ONE COMPLETE SOLUTION.

Add Poly, displays, docks, peripherals, and protection to every HP device quote to deliver a better customer experience and higher total deal value.

WHY ATTACH WITH HP?

Simplify the Quote

One brand. One ecosystem. One streamlined experience for you and your customer.

Deliver Complete Solutions

Customers don't just need a PC — they need a fully functional workspace. HP offers everything required to work productively from day one.

Increase Deal Value

Attaching accessories and collaboration tools expands the solution and strengthens the overall sale.

WHAT TO ATTACH TO EVERY HP QUOTE

HP Displays

Clarity that boosts productivity

- Business monitors
- USB C and high resolution displays

HP Docks & Connectivity

One connection. Total productivity.

- USB C docks
- Thunderbolt docks

Poly Collaboration

Professional audio and video for hybrid work

- Headsets
- Speakerphones
- Personal video solutions

HP Peripherals

Complete the workspace

- Keyboards & mice
- Webcams
- Chargers, bags, and accessories

Protection & Services

Safeguard the investment

- Device protection
- Extended coverage options

HOW TO BUILD THE BUNDLE

1. Start with the HP notebook, desktop, or workstation
2. Add Poly audio or video
3. Include displays and docks
4. Complete the setup with peripherals and protection

Attach it to the quote. Deliver a complete HP solution.
