Authorization Agreement for Prearranged Payments

I hereby authorize the financial institution I have indicated to charge the account I have specified in the amount of my invoices and send that amount to D&H Distributing. I agree that each charge to my account shall be the same as if I had signed a check to pay my bill. This authority will remain in effect until I notify D&H. In addition, I have the same rights and protections as if I had written a check for payment. I understand that both the financial institution and D&H reserve the right to terminate this payment plan and/or my participation therein.

**... With D&H Electronic Funds Transfer,
Your bill is paid automatically, right on the due date!**

• It's Accurate and Automatic

On the due date, your bank will deduct your invoice payment from your checking account and transfer it electronically to D&H. Many of our customers now pay their bills this effortless, accurate, modern way. Most financial institutions support this automatic service

• You'll Get a Statement and Invoice

You'll still get an invoice with each shipment upon delivery showing the amount due and the date it will be deducted from your bank account

• If You Question Your Bill

You'll have plenty of time to resolve any problems before the payment deduction takes place. Just call your D&H Credit representative at least four days before the due date. Call 1-800-877-1200. D&H won't charge you a cent for this service. If your bank has a service charge for checks, however, there may be a similar charge for EFT.

• Give it a Try

Sign up now for EFT. If you change your mind after giving it a try, just notify us and we'll stop the automatic deduction. Fill out the two authorization forms. Keep on for your records and return the others to D&H along with a blank check marked "void". After a ten-day set-up period, we'll send you a letter confirming your enrollment. All other D&H terms and conditions apply.
